The image shows the ShiftCare Family Portal interface. On the left, a sidebar has a red arrow pointing to the 'Timeline' option, with the text 'Click Here For Timeline'. The main area shows the 'Schedule' and 'Timeline' sections. The 'Timeline' section displays a grid of dates for September 2025, with a red circle highlighting the 21st. Below the grid, it says '12 Sep 2025' and 'No shifts scheduled'. On the right, the 'Activity Timeline' section shows a list of shifts for three dates: 19 Sep, 17 Sep, and 15 Sep. Each shift is associated with a caregiver named 'kaitlin mccarthy' and a location '163 North Main Street, Sharon, MA, USA'. The 'Personal Care' shift on 15 Sep is circled in red. A red arrow points to this circled shift with the text 'Caregiver on for that shift'. Another red arrow points to the bottom right of the timeline with the text 'Caregiver notes after the shift's completion will be here'. The bottom of the page includes a footer with the text 'Powered by ShiftCare®' and '© 2024 ShiftCare. All rights reserved.'
